

An aerial photograph of a road intersection. A main road runs from the top-left towards the bottom-right. A secondary road branches off downwards from the main road. The intersection area is highlighted with green. Orange arrows indicate the direction of traffic flow. Two text annotations in white with black outlines describe the proposed changes: 'Riduzione corsia a 3,5 m' and 'Modifica aiuola per spostamento corsia in ingresso'.

**Riduzione
corsia a 3,5 m**

**Modifica aiuola
per spostamento
corsia in ingresso**
